

BAPTISTS ON MISSION Dental Ministry

Volunteers needed to make my clinic to be successful

At any given time, you will need the following minimum number of volunteers for the Dental Ministry Mobile Clinic:

- Registration Area: 1 lay volunteer
- Vitals Assessment/Health Screening Area: 1 Healthcare volunteer trained to take BP by machine or manual
- Dental Professionals: (the longer your clinic is, the more volunteers you will need. Volunteers can work in shifts if needed)
 1. 2-4 Dentists volunteers
 2. 2-4 Dental Assistants volunteers
 3. 1-2 Dental Hygienists volunteers
- Data Collection/Check-Out station: 1 lay volunteer
- Pastors and/or church members are needed to spend time with each patient and/or family to pray with them, share the plan of salvation, and offer counseling.
- Additional volunteers may be utilized for childcare. You may also want to include an area to offer snacks and drinks. Other options include offering a food pantry, clothing ministry, community events and more.
