PROJECTS in IDAHO:

RM26-033 **Addition to Church Building** Grangeville, Idaho

Small construction teams (6-12) are needed to assist a Baptist church in the construction of a 4000 square foot addition that will alleviate their current problem of their elderly members having to traverse steep basement stairs to attend church functions. Will need those with all skill sets. Framing is planned to start in late May. Team leaders will discuss and set work dates with church contact. Their state convention is providing a professional carpenter who will oversee the project, and guide teams in the completion of tasks. Team is welcome to stay in church classrooms if they desire. Local campgrounds and hotels are available. Smaller teams may stay in church member homes. Church has kitchen that team can use to prepare its meals. Team will want to rent a vehicle for use during the week.

Length of assignment: 6-7 days

Dates: May thru August 2026 (dates scheduled with requestor)

Cost: Travel to Idaho; team food; vehicle rental (if flying)

PROJECTS in WYOMING:

CAMP MAINTENANCE

RM26-011 **Camp Closing / Construction** Casper, Wyoming

A small team (4-8) is needed to help get the camp closed up and winterized. Camp director will have a list of needed tasks, which may include lawn maintenance, light construction, hauling food, broken items, and debris from the camp, cleaning, and other general cleaning tasks. Work will be indoors and outdoors, and could be chilly in September. Lodging will be available at camp for all team members. Team will be responsible for all meals while staying at camp, but can use camp kitchen for preparing their meals. Team will need to provide their own transportation

Length of assignment: One Week

Dates: Sometime between September 19 and September 30, 2026

Cost: Travel to Wyoming, Food, Possible Vehicle Rental

PROJECTS in NEW MEXICO:

CAMP MAINTENANCE

RM26-017 **Camp Maintenance/Construction (Fall)** Tajique, New Mexico

A team of 6-12 volunteers is needed to do a variety of construction and maintenance projects at youth camp, and/or preparation for closing the camp down for the winter. Requestor can give team leader a list of projects that need to be accomplished, and work up a plan that fits team member's skills. Projects may include brush removal from around camp structures, drywall repair and painting, roof repairs on camp structures, and more. Special projects for 2025 may also include dorm renovations, sidewalk replacement, flooring, siding projects, electrical/lighting, and roof repair, and some drainage projects. The Camp will provide all materials costs. Gender specific cabins are provided for lodging. Camp provides bed linens, towels and pillows, but team should bring toiletries. Food will be provided. Team can use camp kitchen for their food preparation. Team will need to rent a vehicle to get from airport to the camp.
